## Griffin Armament G.I. Program

Welcome to the Griffin Armament General Issue program. As a service-disabled veteran owned small business, we understand the sacrifices and hardships that our military, law enforcement, and first responders face on a daily basis. In appreciation for that service and sacrifice we have established the General Issue Program.

We strive to make the dealer as successful as possible with this program, you will find the details of the program outlined below.

G.I. Members will receive **30% off MSRP** on 2 silencers per calendar year and **20% off MSRP** on 1 firearm per calendar year. They also receive 15% off in stock accessories on the Griffin Armament webstore using their personal account.

Example: Resistance 45 silencer MSRP \$649.00, GI member pays \$454.00 (30% off)

Dealer is credited 12% of their purchase price.  $\$422.00 \times .12 = \$50.64$
